INFORMATION FOR REFERRAL AGENCIES

WHAT IS A MOBILE **COMMUNITY PANTRY?**

Thirteen million people live below the poverty line in the UK, with individuals going hungry every day for a range of reasons; from benefit delays, receiving an unexpected bill or simply dealing with the rising cost of food and services.

When someone finds themselves in a place where they are struggling to make ends meet a Mobile Community Pantry can help. We provide food and wrap around support for a small membership fee of £5 each time the Pantry is accessed.

HOW DOES IT WORK?

Referral to a Mobile Community Pantry can be made through Doctors and Medical Clinics, Social Services, Welfare Teams in Schools or Advice Services.

At the Mobile Community Pantry we will carry out an initial assessment with the customer to help identify a broad range of holistic support. Once in The Pantry they will have the opportunity to select from a choice of food

FOODBANKS AND COMMUNITY PANTRIES

The Mobile Community Pantry is not a Foodbank. Whilst Foodbanks provide a vital short-term emergency service, Community Pantries aim to provide a medium to long-term solution. We'll assist the customer to engage with services that resolve the underlying causes of their individual situations.

WHAT SORT OF FOOD DO YOU PROVIDE?

We aim to provide food from across all food groups including a wide selection of ambient, chilled, frozen and fresh food. We will also provide a small selection of cleaning products and toiletries.

HOW CAN I REFER A FAMILY IN NEED?

Please email mobile@thecommunitypantry.org.uk or call 01926 350 800 (Option 2) for a short form to complete and send back to us. We will make contact with the prospective customer to do an initial assessment.
